President's Message

Dear Pakistani Martial Artists/Kick boxers

It is not a long story when Kickboxing was like an orphan or a homeless child, Kickboxing was just like a Basket Ball in few hands (so called Kickboxing Organizations) it was like a business or a tool of money making, these so called organizations were selling their Rank certificates without even examine athletes, and then a man of commitment **Muhammad Ghashem Manouchehri** realized the need of Unity among the Kickboxing community, he took pain and started this mission alone, some of sincere Kickboxing Masters regardless of their religion, race or color appreciated him and joined hands with him, and they are still growing, I myself proud to be a Part of this Strongest, Largest and United Kickboxing organization and would like to pay my gratitude to the President **Mr. Muhammad Ghashem Manouchehri**, Secretary General **Mr. Sardor Tashkhojaev Amonovich** and all the team and friends of WFK for their restless efforts and hard work

As a President of Pakistan Kickboxing Federation, I would like to invite all Kick boxers/Martial Artists from Pakistan who were working alone or with some so called Kickboxing/Martial Arts Organization to come and join us to achieve our Goal to be recognized with the International Olympic Committee, in this regard we open individual and club membership/affiliation if you need any further assistance please do not hesitate to contact me

Best of Luck,

Yours at Kickboxing
